# WELCOME TO THE SOUTHERN PENINSULA JUNIOR SHARKS

The Southern Peninsula Basketball Association (SPBA) was formed in 1967. Not long after the SPBA entered several junior representative teams in Basketball Victoria's (BV) junior competition in metropolitan Melbourne, known as the Victorian Junior Basketball League (VJBL).

The SPBA also has senior representative teams that compete in the Big V League, third only to the NBL (National Basketball League), in senior basketball.

Over the past few seasons there has been considerable growth in basketball across the Peninsula, this has been demonstrated in the continual growth of our Representative teams. The number and quality of teams continues to grow in both our Girls and Boys program, along with the number of State & National representative players/coaches.

This information guide will help explain the world of Representative Basketball to new families and reinforce the message to those who have been with us for a while. Please read over the following carefully, as much of the common Q&A are outlined within this document.

I would like to take this opportunity to wish all our players the best of luck for the upcoming trials.

## The Sharks Culture

*"Individual commitment to a group effort – that is what makes a team work, a company work, a society work, a civilization work" – Vince Lombardi*

- Our culture is intrinsically linked to our **CORE VALUES; Commitment, Respect; Willingness to Learn, Competitiveness and Club Pride.**
- Holistic development of players & coaches within our program
- Experience based learning & growth as a key element in everything we do
- Long term development overrides short term success
- Knowledge and experiences will be openly shared throughout the program
- We will develop & progress as a program, moving forward together

*"Everything we do within the Southern Peninsula Junior Sharks Program has a long term development focus, it is a long term process, and short term gains and successes will not override the bigger picture" - SPBA DOC&D Gerard Hillier*

## Playing Representative Level Basketball

Junior representative basketball is an elite competition. It is for players who are committed to developing and improving their basketball skills and knowledge. At Southern Peninsula, we provide individuals and teams the opportunity to maximise their potential by competing at the highest level possible, given their own ability. The aim of the Southern Peninsula Junior Rep program is to promote the game of basketball within our community and to develop players.

All players in a team at this level have an important role to play despite how much court time each player may or may not receive. Coaches will want all players to develop steadily, not just the best players on the team. Playing Representative basketball is very different to Domestic Basketball.

Attitude to your team mates, your coach and your willingness to listen and improve, along with your level of skill are all factors in what will determine the number of minutes played. **All parents to need to be aware of this.**

The Southern Peninsula Sharks Junior Teams play other representative teams in a competition across the state. Teams play at three levels:

**Victorian Junior Championship** - Known as 'VC', this is the highest level at which junior teams can play.

**Victorian Junior Leagues** - Divided into numbered tiers; VJL 1, VJL 2, VJL 3 and so on.

Shark's players must continue to participate in the Domestic Competition to be eligible to play representative basketball; this includes U16s & U18s. Administration will conduct an audit in February. High Performance (NITP, NPP, State) exemptions can be acquired through SPBA Director of Coaching and Development, Gerard Hillier.

## Playing Times & Venues

Matches are played on Friday nights ranging from a 6:40 start for the younger age groups through to a 9:40 start for the senior age groups. Venue locations will vary from week to week, however a home game at Rosebud/Dromana Stadium (SPBA's home court) will typically occur every second week once the Championship season commences. Players are expected to arrive 30 minutes before tip-off. For parents with multiple children, car-pooling has proven a successful option.

### **Scoring**

Each team must provide a competent scorer. The Team Manager should prepare a scoring roster with all parents taking turns and ensure that there is a competent scorer placed with a novice scorer. The Association will be running scoring schools at the beginning of the season to teach any parents about scoring (dates to be advised by your Team Manager).

**\*Note: Where teams have siblings please ensure the parents scoring roster covers both siblings and not just the family. This ensures an even spread of scoring turns.**

The Southern Peninsula Basketball Association will be hosting a "scoring school" for anyone that is interested. The school is designed to assist families understand how to score during VJBL games.

**Date:** 28<sup>th</sup> October

**Time:** 11:00am

**Location:** Dromana Stadium

## **Court Time Management**

Representative basketball is considered an elite development program and as such does not operate with the same guidelines as domestic competitions. A basic principle within the representative program is that **court time is not guaranteed for any player.**

There are two key parameters that determine the court time an individual player may receive:

- The game environment – at the discretion of the coach, playing time is subject to:
  - The level of competition,
  - The role of the player in each game, and
  - The importance of the game.
  
- For clear disciplinary reasons – a coach may reduce court time if the player:
  - Does not attend all practices,
  - Is not punctual for all practices and games,
  - Does not give 100% effort during games and practices,
  - Does not attend a training session without notifying the coach, and
  - Displays poor sportsmanship towards players, officials or spectators.

### **Participation Games (rotating benches)**

- 1 x 60min Tournament Games (multiple games over a 2-day tournament)
- 1 x 60min VJBL Metro/Regional Games (weekly games, home & away schedule)

Note: Rotating benches means exactly that, rotate the bench and get all the players some meaningful minutes, it's a development over winning mentality.

### **Competition Games (not guaranteed minutes)**

- 1 x 90min VJBL VC Games (if ranked)
- 1 x 90min Big V Games (if selected)
- BV/BVC/BA Tournaments (if selected) (Country Champs, National Classic etc.)

Note: These events do not attract the “rotating bench” rule; this is purely based on whatever the team needs to win in that particular game.

Players or parents who are concerned about playing time should initially look to organise a time to discuss the matter with the Coach. Parents or players are not to approach coaches directly after a game in regards to court time. If a parent has a concern about this matter they should make contact with the coach later in the week to organise a suitable time to have a brief catch up.

If you do not believe the matter has been resolved or require further information, please contact the Director of Coaching and Development Gerard Hillier at [ghillier@sharksbasketball.com.au](mailto:ghillier@sharksbasketball.com.au).

Note: Coaches are to make themselves readily available to discuss any matters regarding to the with both the parent/s and player.
