

Dear Members of the SPBA community,

The restrictions associated with COVID-19 as they relate presently to sport Victoria are very clear: You can gather in groups of up to 20 people OUTSIDE but must adhere to the social distancing described by the Government.

Gathering in indoor facilities is prohibited and will attract a significant fine for people that transgress and facility owners who allow it.

The SPBA have been made aware of potential breaches within our community. Please be aware that under no circumstances should any member of the SPBA community be training indoors.

Those who breach these rules are putting themselves at risk of breaking government laws and Basketball Victoria guidelines. You are also potentially putting our return to play at risk.

If you are aware of any potential breaches or have any questions, please contact me via email - [president@sharksbasketball.com.au](mailto:president@sharksbasketball.com.au)

Stay well, and no doubt will see you all on the courts soon

Kind Regards  
Damian Paul  
President
