

SUMMER 2021 SEASON DOMESTIC REGISTRATION INFORMATION

The Southern Peninsula Basketball Association are planning to recommence its domestic competitions after the COVID-19 lay off on **Tuesday November 24th 2020**.

****This date is subject to change as we await further confirmation from Basketball Victoria and the Department of Education.***

At this stage, this return will see the **Orange 20** guidelines in place as per Basketball Victoria's current recommendations.

https://basketballvictoria.com.au/wp-content/uploads/2020/10/BV_2020_ReturnToSport_Guidelines_27October.pdf

This draft will see the Summer 2021 season run between 8-12 weeks depending on the day of competition. Please see the **draft** competition calendar on the last page.

All divisions will run a grading period in games prior to the Christmas break, after which, the results will be reviewed and teams will be allocated into divisions as required.

At the completion of grading, all ladders will be reset to zero and all points from there on will contribute to the seasons results.

(Note: SPBA reserve the right to move teams after the grading period finishes to ensure the fairest competitions possible.)

Team registrations will be accepted in two periods for grading and for the regular season.

Allowing teams the opportunity to enter when they feel comfortable in doing so.

All players who take the court **must** be registered and insured, **no exceptions**. SPBA need to have all player information of those playing every night to ensure contact tracing can occur if any situations arise.

**In addition to this document, please read the SPBA Return to Play document for all of the changes that have occurred as a result of the COVID-19 pandemic. This includes venue entry requirements, game payments, sanitising procedures and facility safety.*

TEAM ENTRIES

All domestic team and player registrations are to be done via the new Play HQ platform. This has replaced SportsTG.

All teams and players who had previously registered for the Winter 2020 season that did not go ahead must complete the registration process again.

Players who had paid will be provided with a 1 time code to be applied when registering for Summer 2021.

This will be sent via email to the registered addresses of those registered and cannot be used more than once. Anyone who incorrectly uses this code will be removed from the PlayHQ data base and be required to complete their registration again.

Team registrations are to be completed online via Play HQ.

Please visit <http://sthpen.com.au/domestic/> for more information.

There are two steps to entering online:

Step 1.

- Click on the link to create your team (no payment required).
- You will need to create a new team and choose the appropriate competition.
- You will be provided with a team link to provide to your players so that they can complete their registration.

Please visit the link below for help relating to team registrations.

<https://support.playhq.com/article/75-registering-a-team>

Step 2.

- Each player, coach and team manager, must register online with their own active email address.
- Play HQ accounts will need to be created for all first time registrations.
- Simply choose your role (player/coach/team manager).
- Use the team link provided to your team contact on registration.
- Please visit the link below for help relating to member registrations.

<https://support.playhq.com/article/74-registering-as-a-player-team-manager-or-coach>

If you are playing in more than one team, you are only required to pay registration fees once.

Please email our competitions manager with any additional teams you will be playing in, so that you can be manually added to each subsequent team.

Juniors who are playing in a senior team will need to register into the senior domestic competition. Please contact the competitions manager for your code to complete this process.

(Note: The system will recognise players by their email. Team managers are not able to register their team players individually. Parents/guardians must register their children for privacy reasons and to ensure all information provided is accurate.?)

For further assistance when registering with PlayHQ, please use the link below and choose the relevant subject for guidance.

2 Business days or more notice given.

UNNOTIFIED FORFEIT

\$110.00 incl. GST.

Failure to show up to a game without notice.

These amounts are reflective of the expenses that are still incurred by the association depending on when the forfeit occurs.

Teams must pay their forfeit fine before the commencement of their next game to be allowed to take the court.

Failure to do so may result in walkovers being awarded to opposition teams for games played with outstanding fines.

FINALS & ELIGIBILITIES

Eligibility for all finals is 50% of games played for the season including grading.

Finals structure for the shortened Summer 2021 season will be a 1 week grand final with the top 2 finishing teams of each division at the completion of the regular season.

Byes and forfeits received, count as a game played provided the player has played before or after that game.

A team giving a forfeit will not count towards finals eligibilities.

All grand finals will be held on their respective nights.

UNIFORMS

All players must wear matching singlets and the same colour shorts by round 3 of each season.

A player may wear incorrect shorts or singlets but the team will be penalised by 3 points being awarded to the opposition for each player with the incorrect uniform. Team shorts must all be the same colour.

Players can use any number from 0, 00 and 1–99 as per FIBA regulations. We strongly recommend teams having reversible numbered singlets to assist in colour clash situations. Numbers must be legible on both the front and back of the uniform.

Singlets can be hired from the Stadium Manager:

1-2 singlets = \$5.00

3 or more singlets = \$10.00

Until current restrictions and guidelines change, singlets cannot be hired for use.

Teams may borrow singlets in a colour clash situation for free.

Clubs have priority in colour clash situations otherwise the first named team on the iPad for a uniform clash between two independent teams.

Pockets in shorts are not permitted. ¾ length leggings permitted as undergarments. No T-Shirts allowed under basketball singlet's.

Compression Gear & Undergarments:

FIBA allow players to wear compression gear.

Any compression item must be black, white or the same dominant colour of playing singlet. If there is a logo or branding on the item, it must not be visible outside of the uniform or to be the same colour as the item. Eg, black on black. The colour choice will be decided by the player's team to ensure that teams have uniformity if more than one player in a team is wearing compression gear. This means that if one player is wearing black compression gear, any other player in the team must also wear black in any compression gear worn.

Jewellery:

Rings are not accepted to be worn. Securely taped wedding bands are allowed. Piercings must be removed. No bracelets or necklaces allowed.

Hair Accessories:

No plastic hair slide combs or clips are to be worn on the basketball court. Bobby pins are allowed. No long platted hair is allowed. No plastic/metal headbands are permitted. Material headbands are accepted if they are less than 2cm in width (FIBA rules). Braided beads are only allowed if secure within a ponytail.

All team managers and coaches of all junior teams are required to have a valid working with children's check (unless exempt) **and** statutory declaration.
